PRODUCT DESCRIPTION

UHU patafix – the clever alternative to pins, tape and thumbtacks! UHU patafix is a removable, reusable adhesive for a quick and clean fixation of small items such as photos, postcards, drawings, posters ... to various surfaces like walls, doors or furniture. 1000's of uses at home, at school or in the office! Dermatologically tested.*

*UHU patafix achieved the result "VERY GOOD" in dermatological tests carried out by the independant institute dermatest®.

FIELD OF APPLICATION

Both removable and permanent adhering of small objects on wood, cement, glass, metal, plastic and porcelain. Suitable for fixing of posters, decorations, small electronic devices, cables and much more. Not suitable for delicate materials or surfaces. Do not use on recently painted areas and wallpaper. Try on small sample first.

PROPERTIES

- Removable and reusable
- Quick and clean fixation
- Hold durably
- Dermatologically tested
- Made in Germany

PREPARATION

Personal safety: Keep away from children: Danger of confusion with chewing gum.

Surface requirements: The areas to be glued must be dry and free of any dust or grease.

Note: This information is the result of carefully executed tests. This Technical Data Sheet has been prepared to the best of our knowledge to provide you with advice when gluing. We cannot be held responsible for the results or any damage suffered, as the variety of factors involved (type and combination of materials and working method) are beyond our control. Users have to carry out their own checks and trials. Liability can only be accepted for the consistently high quality of our product.
